

Established in 1954, the **American Legion Child Welfare Foundation** was developed as a repository of funds from individuals who wished to contribute to the betterment of children in this country. Our foremost philanthropic priority is to **contribute to the physical, mental, emotional and spiritual welfare of children and youth** by aiding progress in the field of child welfare through dissemination of knowledge about research, studies, surveys, projects, or by supporting programs and activities benefiting the welfare of children and youth.

Not all American children grow up inside the comfortable definition of normal childhood development. For thousands, each day is a challenge marked by pain, prayer and perseverance. Many of these youngsters require specialized care. To overcome their obstacles, they need help from you and the American Legion Child Welfare Foundation.
