
American Legion Membership Dues

The **Post Adjutant** is responsible for many tasks related to membership and membership dues. Taking the job of Post Adjutant as of July 1, made me very aware of the lack of information and understanding I had around these topics. I found myself asking many questions about membership and dues. I decided that it may be a topic of interest to the general membership.

The **American Legion** operates its **financial year** from **July 1 to June 30**. The **membership year** does not match the **financial year** - It runs from **January 1 to December 30**. The kickoff of collecting dues and issuing membership cards start July 1.

Each year, the American Legion National Headquarters mails to almost all Legionnaires one or more notices that their annual dues for the coming year are payable. This is made possible by printing on every renewal notice the amount of each post's dues and the address to which dues are to be mailed, which is the local post.

During each membership year, American Legion National Headquarters sends renewal notices in July, October, January, March and May. The accompanying list is the 2019 membership year renewal schedule for transmitting dues to arrive at National Headquarters by the established dates. Using the renewal schedule, National Headquarters extracts unpaid member records, then prints and mails the renewal notices.
