About Whats Happening

Veteran Brian received Help and Joined Our Family!!

Last month **Nations Finest** - who works with our homeless veterans as the American Legion Petaluma Family for help with a veteran that has been working their program is now able to move into his own apartment. Both the Post and Riders were glad to help.

Johnny DeBiase - the Veterans Chairmen for both the Post and Rider got right on this - We have set aside \$500 from the Post and \$300.00 from the Riders for food. We gave him \$400 Safeway Cards for this month and will do the same next month. Also, Kike has donated a car for his transportation. Johnny will maintenance the car and make sure it is drivable.

Lets welcome Brain Burkhart into the American Legion Family!!!
